

MALLARD NEWSLETTER

Mallards were welcomed into class on Monday with a new addition to our classroom - a castle! We have been learning the fairy tale 'Rapunzel' in Literacy and made a tower as tall as we could, as well as being set

the challenge to make Rapunzel's hair as strong as can be! Year 1's have been rewriting the story, using story maps and word banks to help them. In maths, we have been concentrating on recognising

money and adding coins together. In Outdoor Education, Reception children created their own mini beasts - Harley made a 'Bomapede' which has 8 legs and sharp claws to help it climb up trees! On Friday, we were

lucky to have 2 story tellers come into school. They told us a story about a dragon who couldn't get cross!! A great time was had by all. Have a brilliant weekend! The Mallard Class Team 😊
